

Boniello's

Takeout & Delivery

* TEMPORARILY *

We are doing our best during this global crisis.
In response, we have decided to provide DELIVERY SERVICE TEMPORARILY.

We kindly ask that if you are able to order **TAKEOUT** & come to us to **PICKUP**, please **CONTINUE** to do so

We ask that if you are paying with credit card, to please give your information over the phone.
Delivery range is limited. Local radius only.

Our **hours** will be in conjunction with the state mandated guidelines.

Delivery estimated times given over the phone may be extended if necessary in order to assure safety of staff & proper handling of food

We have half & full trays of food for bulk ordering for lunch or dinner for the week.

Please inquire on availability. Some items not available for same day pickup.

This is not a typical Boniello's service. We appreciate your patience throughout this time.

We are continuing to adhere to local & state health department guidelines as well as extra cleanings, excessive handwashing & upholding the food safety guidelines.

At this time, it has been mandated by the State that our dining room is to remain closed.

We thank you for your continuous support of our local family-run business especially throughout this time.

With Love - The Boniello Family
